Dear Sir/Madam,

My name is Joshua Mutunga, and I'm interested in applying for the position of software support intern in your company. I recently(April 2022, collecting certificate on 25th May 2022) graduated from Jaramogi Oginga Odinga University of Science and Technology where I was undertaking a Bachelor's degree in ICT.

I have for a very long time been intrigued by software and its complexities. From how a click of a button would lead to massive data processing, output of user-friendly data and its storage. The logic behind the functioning of these user-simplified controls has always intrigued and pushed me to learning more about software.

For my final year project, I built a traceability decentralized application (Web application) for the agricultural sector. A product would be traced right back to the raw material it was made from, the location of the source of the raw material, and the person who supplied them. I have also built a couple of other systems like an inventory management system and an hospital management system.
During my second year of study, I was attached at Nyali Golf and Country Club for a period of three months (May to August of 2019). I was mainly offering staff support and network maintenance. In my third year, I was attached at Diani Reef Beach Resort and Spa for a period of four months (January to April of 2021). The tasks here included network management and maintenance, staff support and customer support. In both industrial attachments I learned how to work under pressure as well as how to prioritize tasks at hand. I also learned how to work with colleagues and following set protocols.

I would like to intern at your organization as I find it fitting for my current needs; gaining additional experience as well as learning the dynamics of the IT industry. You will also benefit from my hard-work and dedication to achieving the company mission and vision.

Thank you for your consideration.

Sincerely,
Joshua Mutunga.

8th February, 2022

Dear Sir/Madam

RE: TO WHOM IT MAY CONCERN

This is to confirm that **KIOI, Joshua Mutunga Reg No. I231/0853/2017** is a bonafide student of Jaramogi Oginga Odinga University of Science and Technology in the School of Informatics and Innovative Systems.

In writing this letter I wish to confirm that the student has successfully completed a four year **Bachelors of Science Degree in Information Communication Technology** and currently awaiting graduation.
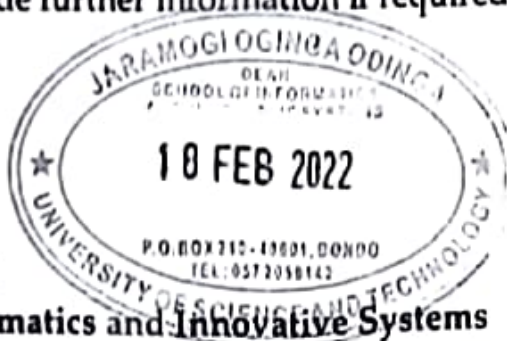

Any assistance rendered to the student in terms of sponsorship for further studies, employment or any appointment to a position of responsibility will be highly appreciated.

I will be glad to provide further information if required.

Yours Sincerely

Prof. Solomon Ogara
Dean School of Informatics and Innovative Systems

Diani Reef
Beach Resort & Spa

24th April 2021

TO WHOM IT MAY CONCERN

RE: JOSHUA MUTUNGA KIOI

This serves to certify that **Mr. Joshua** underwent industrial attachment in **Information and Technology** department at Diani Reef Beach Resort & Spa from 25th January 2021 up to 25th April 2021.

During this period, he proved to be a hard working honest and reliable person, quick in grasping ideas and performed his duties diligently under minimal supervision. He coped well with his colleagues and the management.

We therefore do not hesitate to recommend him to any prospective employer, and wish him well in future career endeavors.

Yours faithfully,

Jotham M. Mwangombe'
OPERATIONS MANAGER
